NOTICE OF RESUMPTION FOR THE 2025/2026 ACADEMIC SESSION FOR NEW STUDENTS

This is to notify the candidates admitted into the David Umahi Federal University of Health Sciences Uburu, Ebonyi State that the resumption date for the 2025/2026 academic session has been scheduled for January 12, 2026.

Academic activities would commence on January 13, 2026.

In view of the above, portal for payment of acceptance and school charges is still open. All candidates are expected to pay their fees on or before the resumption date and print receipts of payments for verification by the Bursary/Students' Affairs/Security Departments at the gate.

Please note that payment of fees is compulsory for all candidates, and failure to present evidence of payments would deny you entrance into the University.

You are also required to present other items listed on the portal for new students for inspection by the screening officers before accommodation is allocated to you.

You are therefore advised to prepare yourselves ahead and ensure that all requirements for your registration are met before the commencement date.

On behalf of the Vice-Chancellor, Distinguished Professor Jesse Uneke, I wish you journey mercies to the University of your dreams.

Vitalis O. Offor
