PUBLIC ANNOUNCEMENT/DISCLAIMER

The attention of the Management of the David Umahi Federal University of Health Sciences (DUFUHS) Uburu, Ebonyi State has been drawn to the activities of fraudsters posing on the internet and social media platforms as Admission Officers of the University, thereby using the platforms to defraud some desperate prospective candidates seeking admissions into the University for the 2023/2024 session.

These fraudsters lure their victims into making payments of varied amounts into their personal or fake University accounts for either admission forms, acceptance deposits, school fees, uniforms or hostel charges etc. These impostors, issue fake admission letters to their victims, and make them believe that such admissions were offered by the University.

In view of this development, the general public should be aware that David Umahi Federal University of Health Sciences does not conduct admissions outside her official website. As a matter of fact, all payments in the University have been fully automated and do not require any candidate to pay into any account outside the University portal.

For avoidance of doubts, the University has since closed admissions for the 2022/2023 academic session and would commence the 2023/2024 admissions around August, 2023. The general public will be officially notified when the sale of forms for admissions will commence. Information on how to obtain the form as well as procedure for payments will be made public and accessible on our website.

All information about the University admissions for the 2023/2024 session can be obtained on any of the University's official websites www.dufuhs.edu.ng or www.kdums.edu.ng. Further enquiries can also be made via sms only to 08033711002.

Please, note that the University shall not be held responsible for any infraction committed outside her official channels of information/communications.
