QUALIFICATION FOR SUPPLEMENTARY ADMISSIONS

Candidates MUST make the University and any of the above programmes their first choice in JAMB. Such candidates must possess at least five (5) credit passes in relevant subjects including English and Mathematics in WAEC, NECO or its equivalents. He/she must have sat and obtained a minimum score of 140 in the 2024 JAMB.

Other qualified candidates who did not make the University their first choice but scored 140 and above in JAMB can do change of institution and course on JAMB Portal to make the University and the course their first choice, and apply into any of the above programmes.

MODE OF REGISTRATION/PAYMENT

Candidates are required to visit our website www.dufuhs.edu.ng and click on undergraduate application and follow the procedure to obtain admission form after making a payment of ten thousand naira (N10,000.00) only through the Remita payment platform.

Please note that candidates who already registered for admission but were not considered into the programmes of their first choice in the University are excluded from payment for supplementary. Such existing candidates are requested to do a change of course on JAMB CAP to reflect their current choice.

Further information on how to obtain any of the admission forms including payments are available on the University websites: www.dufuhs.edu.ng. For more information/enquiries contact 09049721730, 09070479920, 08085583359.

Signed
